General Administration

Fr Larry Duffy has been giving input to the Colnian Renewal Program in *La Neylière*.

Fr Alejandro Muñoz has completed his work in Peru and Brazil and has returned to Mexico, where he is able to spend some time with his aged mother who has not been well.

Fr Paul Cooney today attends an information session on developments in the Italian Government's taxation of Religious Institutes based in Rome.

There will be no SMbulletin next week

Blessings for Holy Week

May the peace of the Risen Lord be with you all.

May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit.

(Rom. 15:13)

Re-Appointment of the District Superior of Asia

The Superior General has announced the re-appointment of Fr Pat Devlin as the Major Superior of the District of Asia for another three years, beginning on 1 June 2015. In his letter of appointment Fr John thanked him for his generous commitment to the task of leadership of the district and for the contribution he makes to the Society.

Visitation of Peru

This week the third replica of the workshop on *Leadership and Administration* took place in El Callao, Peru. All members of the community participated in the workshop which took place in the San José School, where they attended also the inauguration and blessing of a Language Laboratory and they visited the School Music Band (see picture). Both projects have received support from the Special Projects Fund of the GA, and are bearing good fruit in the students' lives.

News from Vanuatu

We received the news that all confreres in Vanuatu, including those living in Santo and Tanna, are safe and well. The main work now is assessing the damage, ensuring safe passage of urgently needed materials and coordinating the efforts. Fr Susitino Sionepoe, the vicar provincial, joined the Regional superior, Fr Benedict Manacen, to assist him in his work. Help is arriving from many places, including Marist communities. Those wishing to contribute are able to do so either to the Province of Oceania directly for personal Marist needs, or to MMC Australia for more general relief efforts.
