## LETTERS OF MARIST MISSIONARIES IN OCEANIA

One year ago Australian Publisher ATF had announced the imminent publication of the "Letters from the Marist Missionaries in Oceania (1836-1854)", which had then been delayed. Now ATF has announced that the book will be published this March. The book is the English translation of the "Lettres reçues d'Océanie", the anthology of the 10 volumes of letters from the Marist Missionaries in Oceania edited by Fr Charles Girard. The translation is the result of the work mainly done by members of the New Zealand and Australian provinces, guided by Fr Alois Greiler. Those who are interested in purchasing the 875 pages book can contact directly the publisher, ATF Theology. <http://atfpress.com/atf-theology/letters-from-the-marist-missionaries-in-oceania-1836-1854.html>
