General Administration

Frs Ben McKenna and Juan Carlos Piña are expected to arrive in Rome in the coming week.

A NEW DISTRICT HOUSE IN DAVAO

The District house in the Philippines has been sold. It was originally purchased 9 years ago close to the Theologate, but as students go to the International Theologate in Rome now, it was no longer relevant to keep the house there. The District has one property in Davao for pre-novitiate formation and hopes to complete the construction of the new District house on the same property by March 2018. The new address is: 82, 1st Avenue, Zone 7, Matina, 8000 Davao City. The Post Office box and landline number remain the same.
