FORUM NOVUM 2018 IS ONLINE

You can find the new volume of *Forum Novum* with contributions on Marist history and spirituality online: www.maristsm.org / Marist Studies / Forum Novum. Fr Alois Greiler (EU) is the editor and he collected articles by Marists and non-Marists which range from experiences of our first missionaries in the Pacific to our confreres in times of war to spiritual issues like decision making and Colin's mysticism. Also included is a review by Alois of Justin Taylor's "Jean-Claude Colin: Reluctant Founder". *Forum Novum* is published only online; to give all confreres the opportunity to read it, we invite you to print out a copy for each community. Attached to this bulletin you will find the table of contents.
